KNIGHTSBRIDGE
SCHOOLS INTERNATIONAL

WELCOME TO OUR **SCHOOL**

ABOUT US

We believe that education is the key to unlocking the limitless potential within every child. Located in the north of Bogota, in the residential countryside, our peaceful and safe campus boasts lush green spaces and a warm and welcoming learning environment.

Our commitment to fostering a love for learning is exemplified by our renowned International Baccalaureate (IB) curriculum.

Our exceptional faculty members are dedicated to creating a stimulating and inclusive environment, where each student is encouraged to explore their passions that extend beyond academics.

OUR CURRICULUM

Primary Years Programme (PYP)

We are dedicated to nurturing young minds and fostering a lifelong love for learning. Our IB Primary Years Programme is an exceptional educational framework designed to empower students aged 4-12 to become active, compassionate, and internationally-minded learners.

Middle Years

We embrace a student-centered approach, empowering each learner to take an active role in their education. Our teachers serve as mentors and facilitators, encouraging students to inquire, collaborate and take ownership of their learning. Through inquiry-based projects, real-world applications, and authentic assessments, our students develop critical thinking skills, creativity, and a passion for lifelong learning.

Diploma Programme (DP)

We understand that the transition from secondary education to higher learning and beyond is a crucial phase in a student's life. That's why we are proud to offer the highly esteemed International Baccalaureate Diploma Programme (IB DP) to students 16-18 years, providing a transformative educational experience that prepares students for the challenges and opportunities that lie ahead.

BEYOND THE CLASSROOM

At Knightsbridge Schools International Bogotá, we believe that education extends far beyond the classroom. We are committed to providing a well-rounded learning experience that goes hand in hand with a diverse range of extracurricular and co-curricular activities.

Extracurricular and Co-curricular Activities

Our co-curricular and extracurricular programs are designed to ignite students' interests, promote personal growth, and foster a sense of camaraderie among peers.

These activities not only provide opportunities for physical fitness and artistic expression but also cultivate teamwork, leadership, and character development.

Sports

Through our sports programs, students can participate in a variety of athletic disciplines. Participation in sports teaches valuable life lessons such as discipline, resilience, and teamwork, while fostering a healthy and active lifestyle.

Arts and culture

Our arts and cultural activities celebrate creativity and self-expression. Students can explore a range of artistic disciplines, including visual arts, music, theatre, dance, our debate team and more. Engaging in artistic endeavours not only nurtures imagination and self-confidence but also enhances critical thinking and problem-solving abilities.

House System

The house system was first established by KSI Bogota's sister school, Knightsbridge School London, then subsequently rolled out across the global family. It plays a vital part of the KSI Bogota community, with students and staff belonging to different houses (Lennox, Ovington, Walton, Milner), emphasizing values like resilience and creativity and skills such as collaboration and communication.
